## It's the Little Things That Matter

**Vicki Vitale's** first love is making the tiny treasures called Miniatures.

Competitive shows require that they are 4x5 inches or smaller. Often incorporating images from her travels as reference, she uses itty bitty brushes and oil paint to create these gems.

They make great gifts and are easy to ship. Visit her studio in Artisan Square behind Bella's Coffee Shop.

Please call for an appointment 252-626-6750.

## Summer Art Sizzles on the Beaufort Waterfront

The Inlet Inn invites one and all to a summer exhibition at their Lookout Lounge.

This exhibit showcases a trio of talented area artists: **Donna Lee Nyzio**, **Georgia Mason**, and **Jill Eberle**. Each artist weaves shape, color, and form together to create paintings in distinct styles.

Donna, a signature member of the American Society of Marine Artists, celebrates the coastal trades and wildlife of the shores in our region and beyond.

Georgia, a signature member of the National Watercolor Society, experiments with color, layers, and textures in an abstract impressionist approach.

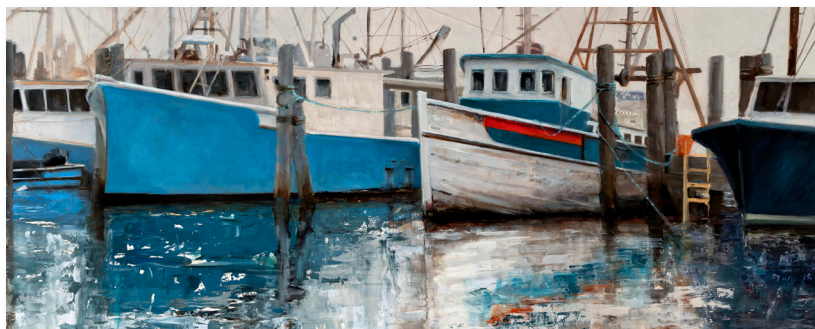

Jill, a New Bernian who taught for over a decade at East Carolina University, focuses on the figure, portraits, and implied narratives.

Additional artwork can be viewed at each artist's website.

This diverse offering is free and open to the public beginning on July 12th.

The Inlet Inn is located at 601 Front Street, Beaufort.

Call the Inn at 252-728-3600 for more information.
